

Odyssey

Odyssey Mansion offers a private beachfront retreat for families and large groups and features 8 suites comfortably accommodating 16 persons.

Overview

Set on 2,000 m² along Bangrak beach in Samui's 'Golden Triangle', Odyssey Mansion offers a private beachfront retreat for families and large groups. Its layout shields guests from neighbouring properties, and a dedicated team is on hand throughout your stay, remaining out of sight whenever you wish.

Stone, wood and metal define the estate, which is arranged around a courtyard opening towards the sea, white sand and open-air lounges. Tropical greenery frames the main swimming pool, crafted from Bali stone and treated with salt.

Guests can enjoy several lounges and places to unwind, a spa, a fully equipped gym and a staffed bar. Inspired by cellars in the South of France, the wine cellar provides a cool, tranquil space for wine, whisky and fine cigars. Evenings can be spent around the firepits or watching films at the outdoor cinema, while a multi-point sound system serves the entire estate.

For weddings and celebrations, the estate can be hired exclusively. Fire shows, live music and extra accommodation are available on request.
