

Footprints North Cottage

Footprints North Cottage is perfect for a small family or group of friends looking for a modern contemporary Barbados villa. Footprints North Cottage can be booked with Footprints Barbados for larger groups and features 8 bedrooms in total.

Overview

Footprints North Cottage is perfect for a small family or group of friends looking for a modern contemporary Barbados villa. Footprints North Cottage can be booked with Footprints Barbados for larger groups and features 8 bedrooms in total. Or for even larger groups can be booked with Footprints South Cottage and Footprints Barbados and combines 11 bedrooms.

Footprints North Cottage echoes the modern theme of the main villa and is equally as sleek, stylish and inviting. You enter via the courtyard and you will instantly feel at ease thanks to the swaying palms and spa-like flow of the infinity pool. The lounge is modern and contemporary and there is an area for dining around the pool. The master bedroom is to one side of the central living area and has ensuite bathroom and overlooks the courtyard. The second bedroom has twin beds which can be converted to a king and mirrors the cool, contemporary décor of the holiday home. The second bathroom has a shower and tub and shares this bathroom with the third bedroom.

And if you fancy a stroll then Alleyne's Bay is less than a minutes walk away.

Footprints North Cottage is part of Footprints Estate, compromising [Footprints Villa](#) (5 Beds) and [Footprints South Cottage](#) (3 beds). The villa and both cottages can be booked as one estate, totalling [8 Bedrooms](#)
