Overview

A gorgeous little family-friendly villa awaits you in paradise. Sunset Reach is a charming beachfront three-bedroom vacation bungalow located on the soft white sands of Mullins Beach in St. Peter, famously part of the Platinum Coast of Barbados. Designed with the "less is more" philosophy of beach life, crisp white interiors blend with cool white wood vaulted ceilings, eye-catching art, and a blend of sea and woody tones.

Perfectly positioned on the northern tip of the beach with a private stairway to the calm shores below, the villa is open-plan, very bright and airy, with a modern kitchen, a spacious sunbathing deck, and a covered patio for outdoor dining and chasing sunsets.

The Bay is well known for water sports, snorkelling, and the occasional visiting sea turtle. The master bedroom is en suite with a king bed, the second bedroom has a double-size bed; and the third bedroom has twin beds. All bedrooms have air conditioning and ceiling fans.

Mullins Bay is positioned between the two main West Coast towns of Speightstown and Holetown, both of which offer a plethora of choices for casual oceanfront dining and evenings in the town at the many bustling hot spots. Sunset Reach may be rented separately or with its sister villa Easy Reach.

Due to drops from upstairs balconies we do not recommend this property for families with children
