

Oceans Edge at Merlin Bay Beach Villas

Ocean's Edge at Merlin Bay is a quaint townhouse in lovely landscaped gardens at this private private, Mediterranean style development in The Garden area of St James, on the west coast of Barbados.

Overview

Ocean's Edge at Merlin Bay is a quaint townhouse in lovely landscaped gardens at this private private, Mediterranean style development in The Garden area of St James, on the west coast of Barbados.

This small development is home to a cluster of privately owned units, Ocean's Edge is a great option as it has a beachfront garden. The beach is literally just a few steps from the villa's private sun terrace and pool.

One bedroom is on the lower ground floor with direct access to a private plunge pool. You can find two further bedrooms on the second floor, with the master bedroom featuring roof terrace access. All three bedrooms have twin beds that can be converted to king beds. Ocean's Edge at Merlin Bay features three separate dining areas for different occasions from formal to casual dining.

Enjoy a relaxing dip in your own pool or fire up the BBQ and enjoy a cocktail while you truly relax and take in the views of the Caribbean sea.

The Merlin Bay community is a pretty and intimate development that exudes a cosy and friendly feel, you will instantly feel at home here. There is a large lagoon-style communal swimming pool, assigned parking and

daily housekeeping; there is also round-the-clock management and security.

The amenities of the West Coast are within a few minutes' drive, including restaurants, shops and services.
