Overview

NoKu Beach House is the the perfect spot for those looking for a touch of glamour. Featured on Netflix's 'The World's Most Amazing Vacation Rentals', this extraordinary Seminyak estate has one of Bali's best beachfront positions, offering an experience of indulgent luxury on a truly grand scale.

A 27-metre infinity pool stretches towards the horizon, surrounded by a sun deck and a stunning entertainment balé, all enjoying perfect Indian Ocean views. Designed by internationally acclaimed interior designer Alex Zabotto-Bentley, NoKu Beach House is a masterclass in contemporary style: a seamless fusion of Zen minimalism and Moroccan-inspired opulence.

Rooftop terraces and hidden lounges are the perfect hideaways for a quiet moment, while open-air dining spaces spill onto the sand for barefoot, beachfront feasts. Inside, carefully curated interiors include tropical textures, ancient Indonesian artefacts, and soft layers of light. Each of the six bedrooms is a private haven, complete with magnificent ocean or garden views and exquisite ensuite bathrooms. Three of bedrooms have king beds while the other three have twin beds that can be converted to kings.

A full team of staff, including a private chef and maître d', ensure every need is met. The villa features a state-of-the-art Void sound system, its own private radio station, and a serene spa with plunge pool accessed through a tranquil, colonnaded walkway surrounded by Zen-style ponds.

Wake to the sound of waves rolling ashore and a breakfast prepared by your private chef. Spend the day poolside or surrender to the spa's soothing touch. As evening approaches, sip cocktails on the rooftop terrace and watch the sun sink into the sea before indulging in a seafood bbq beneath the stars.
