

Hanover Grange at The Tryall Club

Hanover Grange at The Tryall Club is a stunning new addition to Jamaica's renowned villa estate and provides unrivalled luxury in the heart of the Caribbean close to Montego Bay.

Overview

Hanover Grange at The Tryall Club is a stunning new addition to Jamaica's renowned villa estate and provides unrivalled luxury in the heart of the Caribbean close to Montego Bay. Set amidst verdant lawns and natural forestland with panoramic 270-degree views of the coastline, the resort is a prime location for up to 18 guests looking to experience the best that Jamaica has to offer.

Guests can enjoy the dual comforts of a spectacular two-storey main house as well as a separate single-level lodge for added privacy. Experience complete luxury in the main house which features an impressive Long Gallery showcasing acclaimed artworks, a formal dining room capable of seating 30 guests and a stunning outdoor area complete with swimming pool, gazebo and al fresco terrace.

Back inside you'll find five guest rooms as well as a grand master bedroom, five of which open onto private terraces and each with its own en-suite bathroom. One room features two queen beds whilst the five other rooms come equipped with a king size bed. The separate lodge provides a further three bedrooms including two with king beds and one with two double beds plus an en-suite bathroom in each room and an elegant sitting room for relaxing in.

To complete the experience, guests are able to take advantage of great club amenities including complimentary golf carts to take you to the golf course, a tennis complex, a private beach, a fitness centre and a kids club facility.

Staff at the property include a chef, butler and laundress as well as housekeepers and gardeners.

Please note: The Club requires all villa rental guests to have a temporary membership for their stay. Rates, inclusive of tax and service charge, are:

Adults (17 years and older): $45 per day
Teenagers (13 – 16 years): $25 per day
Children (12 and younger): Complimentary
