Overview

Villa Vermelha is a delightful four bedroom villa comprising 1100sqm of space with a large terrace and garden with direct access to the beach. The living area includes 260sqm of living space in the main house and 122sqm in the second house.

Main House

The main house combines the comforts of the present and the romance of the past. The large kitchen opens into a living and dining area with a large terracotta terrace with lovely sea views. The charming staircase leads to 2 bedrooms, each with ensuite bathroom, and a sitting room with a terrace.

Second House

This house has a duplex suite with ensuite bathroom and a terrace on the upper floor and a living room downstairs. A studio with bedroom and ensuite shower room on the ground floor.

White-washed wooden floors and details in splashes of colour are recreated throughout the more contemporary annex with a fresh airy feel and a relaxed, effortless style, perfect for younger members of a family looking for their own space.

Villa Vermelha is located in the heart of the traditional fishing village of Armação de Pêra. The property was built during the turn of the 20th century and inspied by the opulent luxury of the Belle Époque era emerging in the South of France.

With direct access to the beach and the historical town centre, it rests with the traditions of the Algarve at its doorstep, from the picturesque church square it overlooks to the fantastic flavours of the beach front restaurant nearby.
