Overview

Villa Del Campo at Casa de Campo is a lovely four-bedroom villa with Spanish colonial charm filling every corner of this inviting one-story villa.

In the center of the semi-circular brick driveway, a fan-shaped pergola, covered by dense flowering vines, continues over the tiled walkway to the double entry doors which open onto the foyer. Immediately ahead is the spacious living room where three deep-cushioned sofas surround a coffee table, presenting a cheerful setting for socialising. Additional seating areas are available, including a grouping of finely-crafted wagon-wheel rocking chairs. For entertainment, there is a plasma television and a sound system. A few steps beyond, the dining room contains two sturdy wooden tables, each seating eight in white leather chairs adorned by hand-stitched detail; the adjacent, fully equipped kitchen has modern stainless steel appliances and stone counters.

Outdoors, running along one side of the living areas, is an expansive terrace with a swimming pool, whirlpool, and a gazebo for shaded poolside lounging, where guests can relax and enjoy the sublime Caribbean climate. A dining table for six is located near the BBQ for alfresco dining.

The bedrooms include substantial wood furnishings and classic white linens, accented by colorful pillows and

accessories, a plasma television, air-conditioning, ceiling fan, and plentiful closet space. In the master bedroom, there are extra amenities such as a private balcony and padded leather king-size sleigh bed. The en-suite baths feature artistic tile walls, distinctive vessel sinks, and a step-in shower.

Casa de Campo has a wide range of amenities to cater for all types of clientele. There is a range of dining options and 3 golf courses located at the estate - Teeth of the Dog, The Links and Dye Fore. Please check for scheduled maintenance of the golf courses.

Teeth of the Dog has 7 holes bordering the Caribbean Sea and is a world-renowned course designed by Pete Dye and has been ranked previously and the number one golf course in the Caribbean. The Links is an inland gem designed by Pete Dye that evokes Scottish fold courses with water as the beat in element in 5 of its holes. Dye Fore has 18 holes and is positioned 500 feet above the Chavon River. Dye Fore opened in 2003 with nine cliff side holes and sweeping views of the river and the Caribbean Sea beyond.

In addition to the phenomenal golf, Casa de Campo has many exciting sporting options, each featuring an expert staff and the most comprehensive facilities found in the Caribbean! Novices can try new sports, and experts can polish existing skills in tennis, sport shooting, and at the Equestrian Centre. Stay in shape at the Fitness Center or simply relax at the private beach where guests can enjoy a host of watersports or rejuvenate at Casa de Campo Spa. There are many shops and boutiques around the estate. There is also supervised programs for kids and teens.
