Overview

Perched on a hillside near the white sands of Surin Beach, Sea View Zenith Villa offers a blend of rustic charm and modern sophistication. Surrounded by lush palms and tropical greenery, this six-bedroom property accommodates up to twelve guests, making it ideal for families, couples, and groups of friends.

The villa's design is the perfect mix of traditional Thai aesthetics and contemporary comfort. Teak wood interiors and antique accents create a warm, homely atmosphere, while state-of-the-art amenities, including a portable audio system and a large Smart TV, add a touch of modern luxury. The gabled roofs and pointed peaks, based on classic Thai temples, give the villa a sense of place and grace.

A panoramic glass lift, perfect for those with mobility issues, offers a glimpse of the Andaman before you arrive at the villa's showpiece: a large infinity pool overlooking Bang Tao Beach. Relax on the timber deck or relax in the shaded outdoor lounge to soak in the cooling sea breeze. Inside guests will find comfortable open-plan living and dining areas while each bedroom offers panoramic sea views. Spread across two levels, each room has been individually designed and has different features including jacuzzis, gym equipment, living areas and balconies.

At Sea View Zenith Villa, exceptional service is a priority. The villa's dedicated team, including a private chef, villa manager, housekeeping staff, and 24-hour security, ensure that every need is catered to.
