Overview

Villa Blue Beach enjoys an exceptional beachfront setting above Baie Longue Beach, offering panoramic views of the Caribbean Sea and the island of Saba. Surrounded by tropical gardens and just steps from the sand, the villa combines classic Caribbean charm with modern comfort in one of Saint Martin's most sought-after locations.

The villa is arranged across two wings connected by spacious travertine terraces and a large swimming pool. Built on several levels, the outdoor spaces are linked by elegant staircases, while a gazebo overlooking the beach provides the perfect spot to relax and enjoy the sunset.

One wing houses a private two-bedroom cottage, each bedroom enjoying sea views and en-suite bathrooms, with one also featuring a kitchenette. Traditional mahogany doors and windows complement the bright, airy interiors, creating a relaxed Caribbean feel.

The main wing features an open-plan living area with comfortable seating, a fully equipped galley-style kitchen

and large covered verandas for outdoor dining and lounging. The terraces lead almost directly onto the beach, separated only by a low coral stone wall and tropical planting. Two further sea-view bedrooms are located in this wing, each with an en-suite bathroom and furnished in a fresh, understated Caribbean style.

Although wonderfully private, Villa Blue Beach is just a short drive from the restaurants of Baie Nettle and Porto Cupecoy. Marigot is around 10 minutes away for shopping, dining and local markets, while Princess Juliana International Airport is only 8 minutes away. Grand Case and Philipsburg can both be reached in around 30 minutes.
