Overview

Set in the peaceful hills above Sorrento, Villa Savina enjoys sweeping views across the Tyrrhenian Sea, with the town's lively centre just a short drive away. This impressive seven-bedroom villa combines elegant interiors with spacious outdoor living areas, making it an excellent choice for larger families or groups of friends. Surrounded by lush gardens filled with orange and lemon trees, the property offers a tranquil setting while remaining well placed for discovering the highlights of the Sorrento Peninsula and Amalfi Coast.

The ground floor is the heart of the villa, with a generous open-plan living and dining area featuring beautiful vaulted ceilings and a bright, airy atmosphere. The fully equipped kitchen is designed for preparing meals and entertaining, while large openings at either end of the space connect the interiors with the outdoor terraces and garden. This seamless layout makes it easy to move between indoor and outdoor living, whether gathering for a meal or relaxing together after a day exploring the coast. An internal lift connects the floors, adding convenience throughout the property.

Villa Savina accommodates up to fourteen guests across seven bedrooms, each with its own en-suite bathroom, air conditioning, heating, Wi-Fi and smart TV. The bedrooms are arranged over the first and second floors, with several opening directly onto panoramic terraces overlooking the sea. The spacious suites offer a combination of king-size beds, generous bathrooms and, in selected rooms, Jacuzzi baths, creating comfortable private spaces for guests to unwind. The master suite on the upper floor also has access to its own panoramic terrace.

Outside, the villa's extensive terraces and landscaped gardens provide an inviting setting for enjoying the

Mediterranean climate. The panoramic infinity pool, complete with an integrated Jacuzzi, is a particular highlight, offering a wonderful place to relax while taking in the sea views. An outdoor kitchen with a barbecue and pizza oven makes alfresco dining easy, while a covered veranda with a fireplace provides a comfortable setting for meals and gatherings throughout the day. The gardens, filled with citrus trees and flowering plants, add to the villa's relaxed Italian character, and ample private parking is available.

Villa Savina is conveniently located around 2.5 kilometres from the centre of Sorrento, where you will find a lively mix of restaurants, cafés, boutiques and historic streets. A regular bus service connects the area with the town, and a well-known Neapolitan restaurant and pizzeria is just a short walk away. From Sorrento, hydrofoils provide easy access to the island of Capri, while the colourful streets of Positano, the historic centre of Amalfi and the gardens of Ravello are all within reach. The archaeological sites of Pompeii and Herculaneum, Mount Vesuvius and the city of Naples also make rewarding day trips.
