Overview

Located on the prestigious west coast of Barbados, Pandora is a lovely three bedroom town house just steps away from Mullins Beach at the Mullins Bay development. Several bars and restaurants are within walking distance, including Sea Shed and the Royal Westmoreland Beach Club. Hometown with its luxury shopping and high end restaurants is only a short drive away, as is Speightstown which has a more local feel.

Entering the property on the ground floor, guests will find a cozy living room, full kitchen and the first bedroom. Bedroom 1 has a double bed and access to a shower room. The living area opens out onto the large shaded patio where you can enjoy alfresco meals, relax on the sun loungers or take a cooling dip in the plunge pool. A gate at the end of the garden gives access to the communal pool and more sun loungers.

The second and third bedrooms are located on the first floor and both have ensuite bathrooms. Bedroom 2 has a king bed and bedroom 3 has twin beds that can also be made into a King. These bedrooms have access to a shared terrace that overlooks the pool deck and the rest of the Mullins Bay Complex.

Guests staying at Pandora enjoy access to the amenities at the Sugar Hill Resort just a short drive away, which include tennis courts, a gym, communal pool overlooking the sea, 'The Deck' restaurant and poolside bar.
