

Villa Tranquil

Overview

Villa Tranquil is a luxurious private villa located away from the vibrant town in the northern part of Mykonos. Comfortably accommodating 10 adults and 4 children, families can enjoy the serene surroundings and take in the breathtaking ocean views from the comfort of plush sofas or loungers.

Villa Tranquil is reminiscent of the Greek architecture and combines a white exterior with stone walls.

Five bedrooms are located on the lower level, and each has en-suite facilities. Four feature king-size beds and one a double bed. The sixth bedroom is located on the upper level along with a spacious living room with fireplace. A second living room as well as indoor dining and fully-equipped kitchen is also located on the upper level so you can continue to enjoy the vistas even when indoors.
