Overview

Villa Lijep is a top-level luxury villa on the beautiful island of Korcula, close to Dubrovnik Town. Designed in an ultra-modern style, this bespoke five-star villa has every convenience for your island escape.

Situated metres from a private waterfront, this commanding villa boasts a three-storey design, with panoramic windows allowing uparalleled sea views from the front of the residence. The minimalistic interior is expectedly luxurious, with pure white tones, refined designer furnishings and a remarkably spacious design. The living area is an open-plan concept, with a sumptuous lounge area gazing out to sea, an adjacent professional-grade kitchen for culinary perfection and a dining room should you prefer to eat indoors rather than on the terrace. An inviting multimedia nook is also featured, allowing for intimate movie nights after long days exploring the island and surroundings. Elsewhere, you will discover a high-spec fitness room, a sauna, and four five-star quality bedrooms. With a villa manager and daily maid service, you'll be able to relax in complete comfort.

Outside, the villa is elegantly enhanced by a spacious sun terrace, with a spectacular sea-view infinity pool taking centre stage. There is also a BBQ and dining furniture should you wish to enjoy al fresco meal times. When it comes to getting active, the villa offers guests canoes and paddleboards, accessible from the villa's
