Overview

Villa Rena is a haven of designer retro luxury, in a privileged hillside setting above the beautiful Cala Jondal Beach. Bespoke furnishings, authentic Spanish architecture and a thoroughly classic sense of style ensure that this is the perfect option for your next Ibiza getaway.

The décor inside creates a sense of timeless luxury, with high-quality furnishings hand-picked from the antique markets of France. Pride of place in the living area is a Roche Bobois leather sofa suite, while the dining furniture nods towards Scandinavian influences. This open plan space also connects to an upscale kitchen with modern appliances. Through panoramic sliding glass doors you'll head outside to the terrace – an oasis of serenity, looking out to the distant sea and verdant countryside.

An impressive covered lounge seats up to twenty guests, while the ample eight-metre pool with child-safe alarm lets you enjoy a refreshing dip in style. A large Balinese cabana bed and covered pergola can be found nearby on the property, for those wanting a peaceful place to relax. At night, the illuminated pool and wonderful hillside breezes are the perfect backdrop for a cocktail.
