Overview

Cinnamon Heights is a beautiful three bedroom villa with breathtaking views over the Caribbean Sea and towards the capital St. George's and the hills beyond. Cinnamon Heights is located within the boutique Mount Cinnamon Resort & Beach Club so guests can enjoy the benefit of a private villa yet have access to a full range of services and facilities of the hotel.

Cinnamon Heights is nestled in tropical gardens and designed to embrace open-air Caribbean living. The villa is located at the top of the hill but once there you can enjoy spectacular views. Offering 6000 sq ft of indoor living space, verandas, decking and private swimming pool. This spectacular villa is specifically designed to enjoy outdoor living and embrace the views from all rooms. Outside is a wonderful infinity pool. Cinnamon Heights has been stylishly decorated with contemporary classic furnishings and every comfort and amenity has been incorporated into the design.

The villa is spread over 2 floors and with three bedrooms, can comfortably accommodate up to 8 guests. The three bedrooms are equally spacious and include an en-suite bathroom, double vanity, air conditioning, ceiling fans and sliding doors that lead out to an upper veranda. Two of the bedrooms feature a separate dressing area

/ office which are suitable for additional beds for children. One bedroom is on the ground floor and two bedrooms are on the upper level. There is also an additional shower room and guest powder room. powder room) in the villa.

On the ground floor is a gourmet kitchen which includes an attractive island breakfast bar and opens onto the pool deck where you can enjoy al fresco dining. It connects to a large reception room with spacious dining area, sofas, TV and full width folding doors opening onto the pool deck. This creates a wonderful indoor/outdoor area for daytime living.

The centrepiece of the upper level is the Great Room with its own cocktail bar area, refrigerator and sink making it the perfect place to enjoy a drink while watching the sunset. Its full width folding doors open onto a veranda that runs the length of the villa. This area has a selection of comfortable chairs for relaxation where guests can kick back and enjoy the far reaching sea views.

This is a great option for those looking to enjoy the privacy of a luxury villa in great surroundings.
