Overview

Discover the beauty of the Greek Islands with a stay at the boutique luxury villa, Villa Prasino. Situated amid verdant olive groves and just fifty metres from the beach, this atmospheric villa is perfect for a relaxed Mediterranean getaway.

Thanks to the traditional white walls and rustic stone floors, the interior is cool and comfortable. The main space inside is the villa's split-level lounge area, featuring a rustic kitchen and cosy lounge with views of the terrace. Many of the rooms are furnished in an authentic style, with Greek decorations and furnishings helping add to the charm of the villa.

Outside, the villa really comes into its own, with multiple terraces and breathtaking views of the island's coast. Dine in style on the shaded panoramic terrace, lounge in the outdoor living room space, or retreat to the decked sun-terrace where you can lounge in peace surrounded by pine trees and sea views. Or instead, take advantage of the villa's very own heated infinity pool, complete with a hydromassage feature for the ultimate in relaxation. Should you prefer the refreshing water of the sea, then you'll be able to reach it in just a few moments' walk, as well as the villa's private jetty.
