### Overview

Can Lluna is a beautiful five bedroom villa set in secluded grounds high on the hillside above Cala Jondal on Ibiza's picturesque south coast. This impressive modern property offers plenty of sophisticated entertaining spaces through its light-filled interiors and extensive grounds, none more beautiful than the pristine, palm-fringed poolside.

Can Lluna's location is perfect for exploring the nearby pretty coves and stylish beach clubs for which this part of the island is known, while also offering a stylish and secluded retreat to which to return home at the end of the night. Set in 25,000m<sup>2</sup> of private grounds surrounded by fragrant pines and junipers, Can Lluna has stunning views down the hillside to the sparkling Mediterranean Sea.

In the terraced garden, pebbled paths lead through areas of formal planting, palms and cacti to a series of different chill-out areas and terraces. On a high terrace, an al-fresco dining space, seating twelve, shelters under a wooden pergola with dramatic views across the neighbouring countryside, which are truly spectacular at

sunset.

Hidden amongst the gardens, you'll discover shaded Balinese daybeds, lounge seating under romantic wooden pergolas, and the dramatic infinity pool surrounded by terraces of daybeds and sofa seating. This is a stunning place to relax, whether you are soaking up the warm Ibiza sunshine or enjoying the fresh night air under starry skies.

Inside Can Lluna, white walls, polished floors and vast expanses of glass create light-filled interiors with amazing views over the forested hillsides. Wide, sliding glass doors seamlessly open the terrace to the main living space. Here, a large natural wood dining table, seating twelve, and several cream sofas look out over the pool and terrace.

The gleaming floors, white walls and wide glass windows continue throughout the guest accommodation in tones of soft golds and greys to reveal reclining Balinese figures, colourful artwork, and private terraces with the same wonderful views. Even the gym is filled with light through its wide glass doors onto the terrace.
