

Ashiana

Overview

Ashiana Villa is a luxury 2 storey villa offering 5 bedrooms and is located on the west coast of St. Lucia. Guests can enjoy watching the yachts at Marigot Bay from the comfort of the terraces and decks around the villa.

Marigot Bay has often been described as the most beautiful bay in the Caribbean and is a quaint little village with many great restaurants, shops, banks, French bakery, minimart and a boardwalk marina.

Villa Ashiana is a combination of classic colonial style with hints of old world charm. The numerous terraces and balconies allow guests to enjoy the surrounding views.

All the bedrooms are located on the upper level and 3 of the bedrooms are en-suite whilst bedroom 4 and 5 share a bathroom. Each of the bedrooms are individually decorated with tasteful linens, four-poster beds and rattan chairs.

The open plan living area allows for great views from all areas. The kitchen is modern with granite countertops and stainless steel appliances.

Guests can jump on a ferry to a stunning beach nearby. Sailing is the most popular activity in St. Lucia and it is worth taking a boat or chartering a yacht to visit the famous Pitons in the south.
