Overview

Set at the end of a quiet lane with no through traffic, Casa Limani is a four-bedroom family villa with lovely sea views across to the Greek mainland and plenty of privacy and seclusion. Surrounded by landscaped gardens and rolling lawns, the property combines traditional charm with modern comfort. The villa has a comfortable and relaxed feel and is the perfect choice for families looking for a peaceful base on the northeast coast of Corfu.

Inside, the open-plan layout is ideal for groups. The sitting room has a traditional fireplace and comfortable seating, and flows into a dining area with space for up to eight guests. The kitchen is well equipped and opens directly onto a covered veranda through wide glass doors, a nice touch that connects the indoor and outdoor spaces.

Outside, the stone-paved terrace has comfortable lounge furniture, an alfresco dining table for eight, and a large private pool of around 10m x 6m with comfortable wooden sun loungers, parasols, and a built-in BBQ for long, lazy al-fresco dining. The garden setting gives the outdoor space a relaxed, unhurried feel.

The four bedrooms are split across two floors with one twin room on the ground floor as well as one bathroom, and two double rooms and a further twin upstairs sharing two bathrooms. All three bathrooms have been recently renovated, two of which have large walk-in glass showers.

The villa is in the perfect location for exploring this part of Corfu. Agios Stefanos is around seven minutes by car, and the harbour town of Kassiopi, with its waterfront tavernas, shops, and beaches, is around nine minutes away.
