Overview

High Trees is located at the end of a shady semi-circular driveway on Gibbes Beach, offering guests privacy and a comfortable and relaxed holiday in a [Barbados Villa](#). The villa has been recently renovated, and features traditional terrazzo floors, warm muted décor, with touches of colour to enhance its Caribbean design.

On entry you are greeted with a lovely foyer which serves as the inside sitting area and wide French doors that lead out on to a covered terrace where guests can relax with a cool Caribbean drink, or dine alfresco under the stars. A few steps lead to a large wooden deck which surrounds the swimming pool, where guests sunbathe on comfortable lounge chairs. Follow a pathway from the patio through the lovely gardens and to a second deck area at the edge of the beach. This beach deck features a small gazebo with outdoor dining space. There are two gates that offer guests direct access to the beach and the azure Caribbean sea with calm warm waters.

The airy kitchen is located to the left of the foyer, and also has French doors leading on to the outdoor terrace.

The bedrooms are all air-conditioned and have en-suite bathrooms. The master bedroom features a "wet room" in its en-suite bathroom as well as direct access to the pool deck. Bedrooms 2 and 3 also have direct access to

the pool deck, as well as connecting via the bathroom – a great option for parents and children. Bedroom 4 is located to the left of the entry foyer.
