The interior of Villa Baylis at Ban Tai Estate has bright colour accents and modern paintings. There is lots of natural stone, wood, authentic vases and statuettes, giving this villa a truly Asian flair. The private swimming pool is 12 meters long and surrounded by comfy loungers with umbrellas. There is a shallow kids zone in the pool.

In the evening the area around the pool and the terrace is great for social gatherings and guests can relax with nice chill-out music sounding from the outside built-in speakers.
