The main house is on one level and rooms are located around a central courtyard. There is a fully equipped kitchen, great room and indoor dining area. Doors lead out onto the pool terrace. Alfresco dining can be enjoyed in the gazebo.

Aurora is fully staffed with chef, housekeeper, butler and gardener.

For a small island there are plenty of activities on offer from scuba diving and sailing, to tennis club and exploring the island on horseback. You may want to try deep sea diving and fishing, or take a more gentle approach, with a snorkel in the many hidden coves around the island followed by a nurturing spa treatment. Children are indulged with a host of fun activities, with water sports galore, drive in cinemas for golf buggies, tennis, pony
