

Sea Monkey

Sea Monkey is an outstanding luxury villa located on the north shores of Mahé Island. The property has been built on a secluded rocky peninsula with spectacular panoramic ocean vistas. The villa is surrounded by lush tropical foliage and just metres from the sea.

Overview

Sea Monkey is an outstanding luxury villa located on the north shores of Mahé Island. The property has been built on a secluded rocky peninsula with spectacular panoramic ocean vistas. The villa is surrounded by lush tropical foliage and just metres from the sea.

Sea Monkey Villa has four large bedroom suites, each with en-suite bathroom and air-conditioning. All the bedrooms face the ocean so you can wake up each morning to the majestic views. Coffee can be enjoyed on the upper or lower verandah, both providing seating areas. Evenings can be enjoyed in the shaded gazebo area with dining table. Or you may prefer to relax in the spacious living room with TV.

The swimming pool is large and extends the length of the verandah. There are sun loungers located on the pool deck, perfect for relaxing and enjoying the sun. Alternatively, you can use one of the kayaks on the property and explore the nearby reefs. There is also snorkelling equipment.

Sea Monkey Villa has 2 kitchens, making this the ultimate luxury self catering villa. As well as the luxurious surroundings, a full team of staff are on hand to make it even more of a memorable stay. There is a villa manager, housekeepers, and cook included in the rate.

The villa is located in the exclusive region of Glacis where Ian Fleming got the inspiration for his book For Your Eyes Only. The area is renowned for its abundant sandy beaches, coral reefs and tropical vegetation.

Vibrant Beau Vallon bay with its many restaurants, bars and local markets, is a stone’s throw away. The capital Victoria and the airport can be reached within 20 minutes.
