

Casa Ramon

Casa Ramon is a beautiful six bedroom villa located near the town of Dominical and Playa Hermosa on the western coast of Costa Rica. The property boasts breathtaking views of the lush tropical surroundings as well as the ocean in the distance.

Overview

Casa Ramon is a beautiful six bedroom villa located near the town of Dominical and Playa Hermosa on the western coast of Costa Rica. The property boasts breathtaking views of the lush tropical surroundings as well as the ocean in the distance.

Each of the six bedrooms at Casa Ramon has a king bed, en-suite bathroom, a ceiling fan and TV and are air-conditioned. For additional guests, there are two queen-pull out beds in the living room.

You can enjoy the outdoor living areas where there is ample seating and relaxation areas so you can enjoy the incredible views. Beach towels, chairs and umbrellas are included. For fitness enthusiasts, there is a dedicated yoga area. You can enjoy pleasant evenings dining al fresco and the outdoor kitchen has a grill and refrigerator.

Inside the villa is a living room, indoor dining table and an air-conditioned home theatre room. Complimentary WiFi is also available.

Casa Ramon has been designed with natural materials to complement the surroundings, and the high ceilings and large windows allow in plenty of natural light. The fully-equipped kitchen has a gorgeous stone backsplash and a practical breakfast bar.

You may choose to venture to the nearest beach - Playa Hermosa - which is only one mile from the property. It is only 5 miles to the nearby surfing school. Dominical also has a grocery store, restaurants and bars.
