Overview

Villa L'ilot is an island hideaway just of the shores of the East Coast of Mauritius. Reminiscent of Robinson Crusoe’s shack, the villa is an oasis of peace and serenity. It is surrounded by the shallow, blue waters of the sea, and provides the ultimate understated luxury retreat. A magical and secret place that invites you to enjoy a beachfront lifestyle and reconnect with the beauty of nature.

The villa features four bedrooms and three bathrooms and can sleep up to eight guests. You can spend your days relaxing on sun loungers outside the property, while hopping in and out of the sea just a few steps away. Kayaks are available for those wanting to explore the area further. The villa has a stylish living room as well as a full kitchen, ideal for cooking some Creole and French inspired delicacies. A BBQ is also available for long lazy al fresco dinners.

For families travelling with children aged 3 to 12, an in-villa children’s animator can be arranged (upon request and subject to availability), offering engaging, adventure-filled, and educational activities tailored to the curious

minds of our little explorers.

Thanks to privileged partnerships with nearby hotels such as Constance hotels and One & Only - The Saint Géran, guests staying at Villa L'ilot can enjoy the best of both worlds: the privacy of a villa combined with exclusive access to hotel restaurants, golf courses, bars, and spas (subject to availability).
