## Overview

Mykonos Villa is an exquisite property, commanding incredible views of the Aegean Sea from its privileged location on the islands' coastline. White-washed to Greek perfection, and adorned with authentic local materials and decorations, this elegant villa truly encapsulates the spirit of the Greek Islands.

Inside, the living area is stunningly illuminated with hi-tech coloured lighting and features a kitchen, a living room, and a dining area. The inviting seating in the living area is surrounded by two glass walls, both of which can be slid back to provide direct access to the terrace and the refreshing Mykonos breeze.

The outdoor terrace is perhaps the villa's piece de resistance: a dazzling sun-soaked space dominated by the expansive private infinity pool that looks as if it spills out into the sea itself. There is plenty of plush seating on the decked terrace for sun-seekers to enjoy, as well as a dining table capable of seating twelve for al fresco meal times. A BBQ and bar help ensure that even the chef can enjoy the beautiful scenery while cooking! There are also several shared amenities located close by including a tennis court and a gym facility.
