Overview

Set within the exclusive Mont Choisy neighbourhood, just minutes from Grand Case, Villa Happy Bay is a stylish four-bedroom property with panoramic views over Happy Bay, the Caribbean Sea and the island of Anguilla. Surrounded by tropical gardens and natural boulders, the villa offers privacy, comfort and an exceptional setting for a Caribbean escape.

The heated (winter) infinity pool is the centrepiece of the outdoor living space, bordered by a spacious wooden terrace with plenty of room for lounging, dining and enjoying the views. Shaded gazebos and quiet seating areas provide the perfect place to relax throughout the day.

Inside, the open-plan living area combines contemporary comfort with French Creole character. Travertine floors, teak furnishings and large glass doors create bright, airy spaces that flow seamlessly onto the terrace. The fully equipped gourmet kitchen overlooks the sea, making it ideal for both everyday meals and entertaining.

All four bedrooms have en-suite bathrooms, sea views and direct access to the terrace or pool. The master suite is set apart for additional privacy, while the remaining bedrooms are connected by a spacious media room, making the layout ideal for families or groups. A private gym on the lower level completes the villa's facilities and is ideal for those wanting to keep fit on holiday.

Villa Happy Bay is within walking distance of both Happy Bay and Friar's Bay beaches, while the renowned restaurants, boutiques and gourmet food shops of Grand Case are only a few minutes' drive away. Combining spectacular views with a peaceful location and easy access to the island's best dining, it's an excellent base for exploring Saint Martin.
