Overview

Located among the elegant hillside villas of Ibiza, Villa Eivissa is a cut above the rest. Fully-staffed and beautifully designed, this luxurious eight-bedroom villa is considered one of the island's most exclusive. The villa's ingenious design boasts excellent use of natural light and takes full advantage of the panoramic sea views. Occupying three floors of a dramatic hillside landscape, this beautiful property is simply remarkable.

Inside, the villa is modern and spacious, with white tones and sleek furnishings. Every room is air-conditioned, ensuring a pleasant climate can be enjoyed. A spacious lounge provides a great place to relax in front of the TV of an evening, while the indoor Jacuzzi tub is perfect for a soothing soak after a long day sight-seeing. There's even a gym should you wish to work up a sweat before taking a dip. The villa also has a state-of-the-art kitchen, but with a Michelin-starred head chef and a sous chef included as part of the villa's staff, you may not even need to see it! Skilled in producing exquisite cuisine, your chefs will create gastronomic delights using locally-sourced ingredients such a freshly-caught fish.

Outside, the villa boasts a large infinity-edge swimming pool and terrace, with views of the countryside and sea. An excellent cooling mist spray ensures that you can stay cool while lounging, and a full pool bar with barman means you'll never struggle to get a drink. There are also several different terrace spaces to enjoy, should you prefer to sunbathe in seclusion. Situated within easy reach of Ibiza Town, you'll be able to head to the sea within fifteen minutes, or can just enjoy the serenity of your own private pool instead if you prefer.
