Overview

Villa Sinirsiz is an exceptionally stylish six bedroom villa boasting both indoor and outdoor pools and a jacuzzi for you to enjoy. Only a 15 minute walk to the centre of Kalkan, this is the perfect villa for a large family or group of friends looking for a luxury retreat.

The ground floor is light and airy with a large atrium being the central feature. The living area, dining area and kitchen are all open plan and enjoy spectacular views through the double height windows. Fixtures and fittings are all modern and stylish with a feature dining table made of local wood. Between the lounge and kitchen you will find the indoor plunge pool, surrounded by glass so it is safe for children, perfect for a dip on cooler evenings once the sun has gone down.

The first bedroom is also located on the ground floor. This has a king bed, is en-suite and has access out to the pool area. Heading upstairs to the first floor you will find the next three bedrooms. The first is a king room with an en-suite bathroom, a jacuzzi in the room itself, and a private balcony. Rooms 2 and 3 are a king and twin, both with en-suite bathrooms and a shared balcony.

The top floor is dedicated to the final two bedrooms, both with king beds, en-suite bathrooms and private balconies.

Spend your days at Villa Sinirsiz relaxing by the large heated pool or in the split level jacuzzi, gazing out over Kalkan and the sea beyond. There are plenty of sun loungers as well as outdoor sofas and chairs as well as a dining table that can fit all 12 guests.
