

Daios Cove

Set against the visual drama of a secluded bay, Daios Cove nestles on a hillside on the beautiful northern coast of Crete.

Overview

Set against the visual drama of a secluded bay, Daios Cove nestles on a hillside on the beautiful northern coast of Crete. From every angle, the views are sublime: the calm turquoise sea in a quiet cove, spectacular verdant slopes, lush terraced gardens, a yellow crescent of private beach and a wide expanse of azure sky.

Then there's the interior and exterior design. The resort is minimalist, modern, chic and sumptuous with a carefully created designer style; and its elegant and sophisticated architecture has been crafted from the natural environment. Sculpted out of the hillside rock, every stone has been traditionally hand carved and reclaimed. As a result, Daios Cove blends beautifully into its picturesque rural surroundings.

Daios Cove cleverly combines five-star luxury and a select ambience with impeccable, friendly, always accessible service. Guests have a choice of luxury villas, rooms and suites (many with their own private sea water pools), five restaurants, Fitness centre, spa and kids' club.

Whether relaxing on the exclusive beach, swimming in the pools, sampling fine cuisine, enjoying first class service or simply soaking up the unique atmosphere, Daios Cove makes the perfect luxury hideaway — and the ultimate holiday.

Rates are either half board or [premium all inclusive](#) throughout the year.
