Overview

Casa Alila is a beautiful five bedroom villa perched on a hillside with panoramic views of the surrounding fields and ocean beyond. The picturesque village of Spartilas is within easy reach, as is the beach resort of Barbati.

The villa is split over three levels and can accommodate up to nine guests. As you enter the villa on the ground floor you will find a spacious living room as well as a large, well equipped kitchen and dining area with views out over Corfu and to Paxos Island beyond. This floor is also home to the single room and shower room which are adapted for those with disabilities.

Heading up the stairs to the first floor, you will find three stylish bedrooms, each with their own balcony with stunning views. The master bedroom is a generous size and boasts a king size bed and sofa. A large balcony, framed with safety glass looks out over the Ionian Sea. A spacious and modern shower room is attached to the master bedroom.

Two twin rooms are also located on this floor (these can also be made into King rooms on request), one has an

en-suite bathroom and the other an ensuite shower room. The rooms are decorated in a fresh and eclectic style and also boast balconies with beautiful views. They are truly a place to relax and escape the stresses of modern life.

The final bedroom is located on the lower ground floor. This twin room has an en-suite shower room. The room's patio opens out into the well tended gardens at the front of the house.

Casa Alila's outdoor area is split over two levels. Heading up from the gardens outside the twin room you come back to the main living area and a wonderful area for the whole family to enjoy. For the kids (and big kids!) there is a pool table and table tennis table as well as a small playground for younger children. Relax on the sun loungers surrounding your infinity pool and enjoy al fresco meals cooked on your brick BBQ.

Do not forget to pay a visit to the traditional village of Spartilas, located just up the slopes of Pantokrator mountain. Enjoy the spectacular views of Ipsos Bay and Corfu Town beyond in an area dubbed 'the window of Corfu'. If the beach is calling you then Barbati beach resort is only a few minutes drive away, where you can rent sun loungers and parasols and spend the day relaxing by the sea.
