Villa Champak Miskawaan is a five bedroom villa on the north coast of Koh Samui and one of eight beachfront villas that make up the Miskawaan Estate.

This villa has wooden floorboards and vaulted ceilings throughout and floor-to-ceiling windows through which guests can enjoy the ocean views. Three pavilions form a courtyard around an exquisite pool that guides the eye towards views of the sea and the island of Koh Phangan.

To the rear of Villa Champak Miskawaan is a large family bedroom with a double and two twin beds. Another double bedroom and the master suite are located in the pavilion to the right of the pool. Each of the bedrooms feature en-suite bathrooms with outdoor showers.

In the pavilion opposite a fully fitted kitchen leads in to the open-plan dining and living room. Teak furniture and polished wood floors are featured throughout.
