

Villa Tjitrap

Villa Tjitrap is an exquisite six bedroom villa situated in the tranquil township of Seminyak in southern Bali. With a serene fenced garden, remarkable interior spaces and a staff providing every comfort, this is the perfect option for an indulgent Indonesian escape.

Overview

Villa Tjitrap is an exquisite six bedroom villa situated in the tranquil township of Seminyak in southern Bali. With a serene fenced garden, remarkable interior spaces and a staff providing every comfort, this is the perfect option for an indulgent Indonesian escape.

Entering into the villa's open-plan living space, you'll be amazed at the impressive scale of the residence. The main lounge area is a cavernous space, crowned by a double-height raftered ceiling and backed by an open-air Zen water garden. To one end, the lounge furniture provides a comfortable space to relax out of the sun, while at the other end of the room, the villa's remarkably sleek kitchen and dramatic bespoke dining table can be found. A palatial balcony staircase wraps around the space, leading to bedrooms and further lounge space upstairs.

Outside, the villa encircles a spacious garden, with a large swimming pool and an expansive decked terrace. You can lounge on one of the luxe lounge chairs, or stay out of the sun in the open-air pergola – perfect for al fresco dining. With housekeeping, a uniformed security guard and a butler service, you'll be able to fully enjoy the amenities and comfort of Villa Tjitrap during your stay.

Accommodation

Villa Tjitrap has six bedrooms, each with a private en-suite bathroom and air-conditioning.

Four bedrooms are situated on the ground floor, with two in the main villa, and two in a garden wing, while the other two bedrooms are situated upstairs and boast spacious lounge areas also. The garden wing rooms can be interconnecting for families, and one of the rooms also provides the option for bunk-style accommodation for children if needed.
