Overview

La Finca is a luxury seven bedroom retreat that combines cultural inspiration and architecture. The property was completely renovated in 2023 and this expansive villa boasts a 150m² stunning terrace with breathtaking views of the surrounding countryside.

La Finca features hand-planed hickory wood flooring, hand-painted ceilings and exquisite crystal windows. Inside the villa has splashes of vibrant colour. Generous living spaces feature throughout - there is a living room, fully equipped kitchen and indoor dining area.

The property has five bedrooms in the main house and 2 bedrooms in the annex, each with ensuite bathrooms. All bedrooms are air conditioned as well as the other rooms. The bathrooms are elegantly designed, all in stone with bathtub or shower. All bathrooms have an individual style with 2 sinks, underfloor heating, music speaker, Soft, big towels and all other accessories you need.

The living area is mixed with Ibiza and Greek style and is very inviting. It is open plan with the kitchen and allows

in plenty of light. The kitchen is well equipped with all you need for a self catering holiday, although a chef can be arranged for an additional charge.

Outside is a beautiful swimming pool with sun loungers and parasols and offers complete tranquility and relaxation.

Fresh fruits from the orchard trees in front of the Finca and daily hand picked vegetables out of the biological garden, blend graciously with the homegrown olive oil and organic handmade honey. The beautiful landscape and the healthy natural foods will help make your stay truly unforgettable.
