Overview

Villa Diamant captures the essence of refined island living, offering an exceptional setting where sophistication meets serenity. Every detail has been meticulously curated, from contemporary artworks to rare antique pieces, creating a space that is both chic and steeped in character.

With 6 en-suite bedrooms, including 2 large master suites and a separate independent studio, the villa is designed for absolute comfort and privacy. Rich materials such as precious woods and luxurious textiles infuse the interiors with warmth and understated elegance, while expansive windows bathe the space in natural light and frame views of the surrounding tropical landscape.

Outside, the generous stone swimming pool is a standout feature, perfect for quiet moments of relaxation, framed by lush, mature gardens showcasing the diverse flora of the Indian Ocean. This verdant sanctuary invites reflection, connection, and rest. Just beyond the garden, a pristine stretch of beach offers direct access to the turquoise lagoon of Belle Mare, allowing guests to move seamlessly between comfort, nature, and the sea.

For families travelling with children aged 3 to 12, an in-villa children's animator can be arranged (upon request and subject to availability), offering engaging, adventure-filled, and educational activities tailored to the curious minds of our little explorers.

Thanks to privileged partnerships with nearby hotels such as Constance hotels, Long Beach and One&Only Le Saint Géran, guests staying at Villa Diamant can enjoy the best of both worlds: the privacy of a villa combined with exclusive access to hotel restaurants, golf courses, bars, and spas (subject to availability).

The villa is next to [Villa Saphir](#) and [Villa Rubis](#) so would be perfect for larger groups travelling together.
