Overview

Villa Hamsa is a stunning four bedroom villa perched on a cliff-top and commanding views of the sparkling ocean below. Villa Hamsa forms part of the Sohamsa Ocean Estate along with the five bedroom villa Villa Soham. The villas can be rented separately or as one estate for a larger group.

The estate is set in an enclave on the southernmost part of the Bukhit peninsula – an unspoilt area of Bali yet only an hour from the airport and close to some of the island's best known attractions including the iconic Uluwatu sea temple.

Villa Hamsa has been beautifully designed and combines contemporary architecture with natural materials from the Indonesian archipelago. The villa is fully air-conditioned and features casual alfresco living and dining spaces, generously sized bedrooms and bathrooms, a large infinity pool and a well-equipped gym.

Each of the bedrooms at Villa Hamsa are a good size and have TV'S with DVD players. The master bedroom has an emperor-sized bed and the three guest rooms have twin beds that can be configured as king beds. The en-suite bathrooms have rain showers and bathtubs. The master bedroom occupies its own pavilion and opens up

onto an expansive deck.

The villa rates include a team of staff on hand to ensure you have a memorable stay. There is even a driver on hand who can take you to Pandawa Beach for an afternoon swim or a kayak (additional charge).

Sohamsa Ocean Estate lies at the edge of the Bukit peninsula, a limestone plateau on the delightfully unspoiled southernmost tip of Bali. It rests within an exclusive enclave of luxury villas that line the cliff high above the Indian Ocean – seemingly miles away from the island’s busiest tourist districts yet just half an hour from the airport. While there is little within walking distance in this dramatic rural setting, just two kilometres away is Pandawa Beach with its stretch of white sand, local cafes and sea sports. Hidden beach coves and famed surf breaks are within easy reach, as is the sacred sea temple of Uluwatu, some very cool beach clubs and the restaurants of Jimbaran Bay and Nusa Dua.
