Entering the villa on the ground level you will find a large open plan living room and library with comfortable sofas, ceiling fan and open fire place. Continuing to the dining room and fully equipped kitchen where your chef and waiter will serve you culinary delights (July & August) as well as a large covered verandah with quality rattan furniture and ceiling fans, perfect for relaxing and enjoying the views of Gouiva marina and the ocean beyond.

The first bedroom is also located on the ground level. This has a super king bed as well as an ensuite with bath and shower.
