Villa Pefko has been built in a unique setting, among the rocky hills of the wild Mykonian landscape. It is only 850 metres from the beach of Agios Stefanos, and this luxurious residence is the perfect incarnation of a refined summer bohemian lifestyle. With a total living area of 375m², this villa can comfortably accommodate 9 guests in 5 bedrooms, providing a tranquil and unique hospitality experience.

Blending local architecture with modern amenities, the villa is an iconic example of Cycladic style, with white-washed walls, blue shutters, and natural stone details. A private infinity pool with crystal clear waters merges with the Aegean Sea, dominating the outdoor area. A large wooden pergola provides generous shade to an elegant lounge area, while a comfortable hammock completes the relaxed atmosphere. Last but not least, the outdoor kitchen with built-in BBQ is perfect for casual al fresco dining.

The stylish interior features hand-picked furnishings and unique decorative items. The white interior, accents of colour, ethnic motifs, and exposed wood-beamed ceilings create a truly authentic vibe. The bedrooms are bright and airy, with minimal decor, and zen ambience, while the en suite bathrooms with built-in bathtubs are inspired by Greek island style.

Combining ultimate privacy with easy access to Mykonos Town and some of the island's best beaches, Villa Pefko is a perfect base for exploring the Mediterranean's summertime capital.
