### Overview

Set along the unspoiled sands of Natai Beach, Villa Shanti is a wonderful six-bedroom beachfront property. Located within the exclusive Jivana Villas estate, just 25 minutes north of Phuket International Airport, the villa enjoys over 6,000 square metres of lush grounds and 60 metres of pristine beach frontage overlooking the Andaman Sea. Natai Beach is perfect for paddleboarding, kayaking and swimming and The Aleenta and Iniala Beach resorts, both just along the sand, offer award-winning dining.

Designed in a modern Thai style, Villa Shanti has five elegant pavilions set around the lawns dotted with coconut palms. At the heart of the villa is the open-plan Great Room, a large living and dining pavilion where sliding glass doors make the most of the cooling sea breezes and panoramic ocean views. To either side, two bedroom pavilions are home to three spacious ensuite bedrooms, while a separate family pavilion offers a relaxed space with a TV, WiFi, and a private library. A sleek, fully equipped kitchen designed for both Thai and Western cuisine completes the layout, though most guests prefer to leave the cooking in the capable hands of the villa's private chef.

Outdoors, a 25-metre black-tiled infinity pool is the centre of it all, framed by manicured lawns that lead toward the beach. Spend your days making the most of the facilities, with a morning swim followed by a long breakfast in

the open-air dining sala, an afternoon massage in the shade, and sunset cocktails as the sky turns gold over the Andaman Sea.

Villa Shanti is fully staffed, with a dedicated team including a villa manager, private chef, housekeepers, and groundskeepers, all ensuring a seamless and memorable stay. Ideal for families or groups of friends, this stunning beachfront villa combines refined design with a relaxed coastal atmosphere, offering a private sanctuary where every detail has been thoughtfully considered.

For larger groups, Villa Shanti can be combined with nearby 6 bedrooms [Villa Jia](#), for a maximum of 12 rooms.
