Emily House

Emily House is a beautiful villa located on the southern tip of Barbados and enjoys views of the Atlantic ocean and has beach access. The villa has been designed with open plan living in mind with a retro beachy vibe and views.

Overview

Emily House is a beautiful villa located on the southern tip of Barbados and enjoys views of the Atlantic ocean and has beach access. The villa has been designed with open plan living in mind with a retro beachy vibe and views. It has been recently refurbished with light wooden floors, eye-catching chandeliers and an upgraded state of the art kitchen.
The entrance of the villa has a unique 'lighthouse' styled coral stone wall that serves as the backdrop for the spacious oceanfront verandah and pool deck. The pool is the place where you spend many an hour relaxing. There are also some shallow pools and bays just along the low cliffs from the garden that you can dip your toes in.

Enjoy al fresco meals on the open plan deck which features an 8 seater dining table and oversized sun loungers ideal for enjoying the sunrise with your morning coffee. The kitchen is fully outfitted and features a large breakfast bar and two French doors to open the room out completely to take advantage of the views.

Located off the kitchen is the spacious master bedroom with a king sized bed, lots of cupboard space and doors

opening out onto the pool patio. The en suite bathroom has a shower, while there is a tub bath in the room looking out towards the ocean.

The basement apartment is situated just off from the kitchen (it also has a seperate entrance) via a stairwell and includes three bedrooms. On this level you will also find a play room/gym, small kitchenette, causal living room and dining area and access to a small patio, the garden and the ocean beyond.

The second floor is accessed via a curved stairway and has three more bedrooms. On the western side are two rooms, one with a king bed and sitting area and one with twin beds and bay window, these rooms share a bathroom. On the east is another large room with walk in closet and en suite bathroom. The rooms are bright and airy with large windows and gorgeous vistas of the turquoise blue sea.

Bedroom 3, 5 and 7 have been updated with twin beds that can be converted into a king sized bed.

This lovely villa is a wonderful choice for larger groups looking to create lasting memories of a perfect holiday spent in Barbados.
