

Weli Kasba

Weli Kasba is a spectacular 1500 sqm villa located on the south coast of Sri Lanka, just a 2 hour drive from Colombo airport. Weli Kasba in the local language means 'sandy turtle' and if you are lucky you can experience turtles returning to the beach to lay their eggs.

Overview

Weli Kasba is a spectacular 1500 sqm villa located on the south coast of Sri Lanka, just a 2 hour drive from Colombo airport. Weli Kasba in the local language means 'sandy turtle' and if you are lucky you can experience turtles returning to the beach to lay their eggs.

This ground floor of this luxurious villa boasts a large living and dining room, well equipped kitchen and three other family areas. All seven bedrooms are located on the first floor, 6 of which have sea views and one with jungle views. Each bedroom is spacious, with an ensuite bathroom. Five bedrooms have double beds, one has twin beds and the final bedroom has three sets of bunk beds, ideal for the younger members of the family. In total the villa can sleep up to 18 guests.

The outdoor areas of the villa are just as sumptuous as the indoor, with an additional outdoor lounge, kitchen and plenty of sun loungers around the pool and on the beach. The infinity pool stretches the full length of the villa and is perfect for swimming laps or just splashing about with the family.

Weli Kasba also features a roof terrace which is ideal for sunset cocktails, al fresco meals and movies under the stars.

The villa comes with a full staff and the option for including three meals a day is an additional $50 per person.
