

Casa Janine

Restored 4-suite villa above Deià, Mallorca. Sleeps 8, with an infinity pool, Tramuntana mountain views, a media room, and an easy walk to the village.

Overview

Set just above the village of Deià in the Tramuntana mountains, Casa Janine is a beautifully restored villa that blends traditional Mallorcan character with contemporary elegance. It sleeps up to eight guests in four en-suite bedrooms, with an infinity pool, sun-drenched terraces and lush gardens, making it an idyllic luxury villa rental in Mallorca's most enchanting mountain village.

Casa Janine has been thoughtfully restored with high-end finishes and artisan details, and its interiors feel warm and sophisticated. Outside, generous terraces look out over the Serra de Tramuntana, a UNESCO World Heritage Site, and the surrounding countryside.

Every bedroom has its own en-suite bathroom:

Master suite: queen bed, en-suite and private terrace with mountain views
Two twin suites: twin beds, en-suites and countryside views
Pool suite: secluded, with a queen bed, en-suite and direct access to the pool terrace
Study: a comfortable sofa bed for extra flexibility

The infinity pool seems to merge with the horizon, surrounded by terraces draped in bougainvillea. Spend the

day lounging in the Mediterranean sun, then enjoy a glass of wine under lantern light as evening falls.

Indoors, you can relax by the fireplace or settle in for a film in the state-of-the-art media room. It's a comfortable retreat in every season.

The gourmet kitchen suits everything from leisurely breakfasts to sunset feasts, and the alfresco dining areas come with stunning mountain backdrops.

Deià's village centre is a short walk away, with cobbled streets lined with boutiques and art galleries. Head down to Cala Deià, a secluded cove with turquoise water, to swim or enjoy fresh seafood at the clifftop Ca's Patró March. For a special night out, the restaurants at Belmond La Residencia are among the island's most celebrated. A day trip on the historic train between Palma and Sóller is also well worth taking.

With its infinity pool, mountain views, elegant suites and walkable location, Casa Janine is one of the most appealing luxury villas in Deià. It's perfect for families or friends who want to experience the Tramuntana in style.
