Overview

Casa Musica is a beautifully designed five bedroom villa perched on the hills above Falmouth Harbour. The property boasts beautiful views over English Harbour Town and Falmouth Harbour and is only a short drive from shops, restaurants, bars and beaches. The capital city of St John's and the international airport are only a 30 minute drive away.

The property has been recently renovated and guests will notice the stylish Ibiza Farmhouse/Caribbean boho decor throughout. Entering the villa on the main level, guests will first come across the open plan kitchen and indoor dining area as well as a large living area with beautiful views out over the pool area and beyond. A spiral staircase takes you up to a small library/office for those wanting a quiet escape.

Three bedrooms are located on this level in the main part of the house. The master bedroom features a king bed, indoor/outdoor bathroom and a wrap around terrace. Bedrooms two and three feature king beds and share a Jack n Jill style bathroom. Two additional self contained cottages are also located on this level, both featuring a king bed, private terrace, kitchen and lounge area and ensuite shower room.

A lower level features the well equipped gym as well as a 3 person infra-red sauna.

But the most important area of Casa Musica is the stunning outdoor area. The property features a private pool and jacuzzi as well as a full outdoor kitchen with bar, BBQ and pizza oven.
