Villa Aquila is a spectacular property on Brac Island, redefining luxury on a bijou scale. With a bespoke wellness centre, incredible infinity pool and a terrace hot tub, this villa is perfect for your discerning holiday needs. The interior is stylishly decorated with rustic details and modern amenities.

Overview

Villa Aquila is a spectacular property on Brac Island, redefining luxury on a bijou scale. With a bespoke wellness centre, incredible infinity pool and a terrace hot tub, this villa is perfect for your discerning holiday needs.

The interior is stylishly decorated with rustic details and modern amenities. Starting with an al fresco covered terrace to the front of the villa, there's plenty of space for eating at the six-person dining table. A chic farmhouse kitchen is situated close by, where you can whip up a gourmet meal in no time. Here, a grand fireplace and flat-screen TV provide a cosy space to enjoy in the evening.

Downstairs, the villa boasts a remarkable private spa sanctuary just for you. With unique mood lighting and state of the airt facilities, this is a wonderful asset to enjoy. There's a bespoke tiled steam room, a Finnish sauna, a modern fitness room and lounge room to relax in. Outside, you can continue the serene experience with a cooling dip in the stunning sea-view infinity pool, or instead relax in the sunken hot tub.

Accommodation

Villa Aquila has two bedrooms, each with its own bathroom, air-conditioning and LCD TV. Both bedrooms are located on the ground floor.
