

Casa Celeste

The Valle d'Itria, in the heart of Puglia, is one of southern Italy's most enchanting regions, celebrated for its rolling countryside, ancient olive groves, and iconic trulli—whitewashed stone houses...

Overview

Casa Celeste is a beautifully designed four-bedroom villa set within 20,000 sqm of protected countryside in the heart of Puglia's Valle d'Itria. Surrounded by traditional dry-stone walls and peaceful landscapes, the estate offers a private and tranquil setting while remaining close to Martina Franca and the region's historic towns.

The interiors combine contemporary Mediterranean design with traditional Puglian materials, including warm Travertine stone and crisp white walls. The open-plan living, dining and kitchen area is bright and spacious, with large sliding glass doors opening towards the gardens and bringing the surrounding landscape into the living space.

The four air-conditioned bedrooms can accommodate up to eight guests. One king bedroom has an en-suite bathroom, private terrace and direct garden access, while the remaining three bedrooms can be configured as king or twin beds. Two have en-suite bathrooms, with the other two sharing a bathroom.

A highlight of Casa Celeste is its dedicated wellness area, with a Jacuzzi, sauna, Turkish bath and massage and relaxation space. Outside, an infinity pool looks across the surrounding countryside, while a large gazebo provides a shaded setting for outdoor dining and relaxing.

The villa is around nine minutes from Martina Franca and approximately 40 minutes from the coast, with Locorotondo, Alberobello, Cisternino and Ostuni all within easy reach. The Adriatic and Ionian coasts are both around 35–40 minutes away, making Norinda a good base for combining the countryside, culture and beaches of Puglia.
