## Overview

Discover a four-acre estate with a bespoke minimalistic villa at its heart. Welcome to Villa Cicero, set close to the beautiful azure waters of Corfu's coast. With five bedrooms and a single room as well as a wealth of luxury amenities, this is the perfect villa for an unforgettable escape.

The villa's design maximises upon natural light, thanks to huge panoramic windows in many of the rooms, while a minimalistic neutral palette further contributes to creating a light and airy interior. The main living area is centred around an inviting fireplace, with elegant seating, a flat-screen TV and sliding door access to the pool terrace. Close by, you'll be pleased to find a high-quality fully-equipped kitchen as well as an adjacent dining space.

Outside, the villa enjoys a privileged setting amid acres of olive groves and natural landscape. The sun terrace is the main attraction, thanks to its stunning sea-view infinity pool. You'll also discover several upscale sun loungers and an undercover dining area for al fresco meal times.
