### Overview

Perched on a hillside above the southern end of Surin Beach, Villa Sammasan is a vibrant, modern property with panoramic views of the Andaman Sea. One of eight exclusive villas within a private estate, this four-bedroom sanctuary is the perfect choice for families or small groups looking for a relaxed, stylish escape on Phuket's scenic west coast.

The villa's open-plan design celebrates island living, with every room enjoying sweeping sea and treetop views. At the heart of the villa, the living and dining pavilion features glass panels that fold away to reveal a furnished sun deck, a 9-metre infinity pool, and a shaded poolside sala which is perfect for relaxing or enjoying al fresco cocktails. Inside, bright contemporary artwork and colourful accents add playful energy to the sleek white interiors. A modern kitchen and dining area for eight share the space with a cosy lounge, while a media room behind the living area offers a flat-screen TV, a deep sofa that converts into a bed, and a guest bathroom.

The romantic master suite takes up the entire upper floor and features a king-size four-poster bed, chic chaise lounge, and an indulgent sea-view jacuzzi. Two ensuite guest bedrooms can be found below the pool terrace, each opening onto a private balcony, one with a queen-size bed and the other with twin beds and an extra rollaway.

A dedicated team of staff, including a Villa Manager, Thai chef, and housekeepers, ensures a seamless stay. Enjoy home-cooked Thai and Western meals or explore the many dining options nearby. With glamorous Surin Beach and picturesque Laem Singh Beach just a short walk away, Villa Sammasan is the perfect location for enjoying everything Phuket has to offer.
