

Can Esmeralda

Can Esmeralda is a stylish six bedroom villa that is only a five minute drive from the beaches of Cala Bassa and Cala Conta. The perfect sands and turquoise waters of Port d'es Torrent are within walking distance, as is one of the island's best supermarkets 'Es Cuco', where you can buy plenty of local produce.

Overview

Can Esmeralda is a stylish six bedroom villa that is only a five minute drive from the beaches of Cala Bassa and Cala Conta. The perfect sands and turquoise waters of Port d'es Torrent are within walking distance, as is one of the island's best supermarkets 'Es Cuco', where you can buy plenty of local produce.

Port d'es Torrent is a family favourite, close to San Antonio, making this pretty property with fantastic outdoor spaces ideal for families and couple alike. The palm-filled gardens and low whitewashed buildings surround the sunny pool deck to create a wonderful sun-dappled oasis.

Can Esmeralda's charming outside spaces are created for everyone to enjoy. Relax on a wide daybed beside the 10m x 5m pool (heated at extra cost) and soak up some Ibiza sun. Or take a seat in the shaded courtyard under a tall and fragrant pine to watch the barbeque or chill out with friends. Children will love to play on the grassy lawns; there is even a fish pond for them to investigate.

Beside the house, several terraces provide a mix of sun and shade. There's poolside dining for six under a

pergola wrapped in pink bougainvillea, as well as a cooler outdoor dining space, seating twelve, alongside soft sofa seating and under the shade of high, traditional wooden rafters.

This terrace space opens onto the main living area, a soft, creamy white space of plush sofa seating, winter fireplace, and traditional terracotta tiles. On the mezzanine level, a grand piano takes centre stage, while a bright, sunny kitchen beckons in the opposite direction. Well-equipped, with a large rustic breakfast table, the kitchen has sliding glass doors which fully open the space onto a pretty courtyard. From here, you can access the laundry or the gym. It boasts yoga mats, free weights, a cross trainer and multi-station machine, as well as three bicycles which guests are welcome to use.

Can Esmeralda's guest accommodation continues the theme of rustic wood, traditional terracotta tiles, and dreamy white linens throughout the spacious, pretty bedrooms. The master suite boasts a winter fireplace as well as access onto a sun-drenched terrace.
