

Tamarind Hills

Overview

Tamarind Hills is a beautiful collection of villas and townhouses for rent on the stunning west coast of Antigua, just south of Jolly Harbour. The townhouses and villas are modern in style and offer 2-4 bedrooms.

All villas feature private pools, fully-equipped European kitchens and bathrooms, laundry facilities, private parking and outdoor dining on private terraces with BBQ's. There is an onsite concierge service, and private chefs and daily maid services can be arranged. Free high speed wifi and cable TV is available throughout. Each of the villa interiors differ slightly but all are contemporary in design.

The three bedroom beachfront townhouse can sleep up to six with 2 en-suite bedrooms on the first floor, and a magnificent master suite on the entire second floor. The villas are located directly on the beach, with access via the boardwalk. They also feature a private plunge pool and outdoor shower on the beach.

The Four Bedroom Beachfront Villa can accommodate up to 8 adults in 4 bedrooms, and also boast large infinity edged pools, outdoor dining areas and gardens, games room in B8 and wrap around private terraces.

The contemporary apartments feature two, three or four bedrooms and span two floors, with huge glass bi-folding walls, private pools and are located directly above the Caribbean Sea and accessed from the boardwalk for the lower apartments or the road for the higher properties.

Guests have access to all the amenities of the Tamarind Hills Resort including a gym, spa, 24 hour security, housekeeping and concierge. Enjoy light bites and drinks at the newly built Beach Club, dine at the full service restaurant Wild Tamarind or relax on your own private deck where food can be delivered or cooked by a private chef.

Some of the island's best bars/restaurants are located a short distance away - Sheer Rocks, is located just a short walk along the beach, as is the popular island rendezvous, Dennis's Bar, renowned for its Sunday suckling pig roast and Friday evening beach bbq's. The stunning and chic Jackie O's, over the hill from Darkwood Beach, is the perfect beachfront bar and restaurant with a great menu, cocktail list, atmosphere and views. Tamarind Hills is a 25 minute drive to the V.C Bird International Airport, and a 15 minute drive to the capital St Johns. The nearby Jolly Harbour Marina offers a good choice of shops and local services with a very well stocked supermarket, golf, banks, a pharmacy and post office – all the essentials close by.
